SUGGESTS: Tracks by John Denver, John Lennon, RD Burman, Kishore Kumar, Asha Bhonsle, Lata Mangeshkar, Mohammed Rafi

I have grown up listening to John Denver, John Lennon, Asha Bhonsle, RD Burman and Kishore Kumar, but still can't get enough of their music. Currently, I am hooked on to Heart Full of Holes by Mark Knopfler. Saiyyan by Kailash Kher and latest Bollywood hits like Aankhon mein teri (Om Shanti Om) and Pehli Nazar Mein (Race) are my current favourites.

I begin my day by switching on my electronic tanpura and start humming my favourite songs. When I am travelling, I make it a point to carry my iPod. My cellphone collection of an odd 150 songs also keeps me company. I download music from www.itunes.com.
